If you're in an accident and it is the other driver's fault and you're injured:

1. Call the police: Insist on a police response.
2. If you are hurt: Go to the Emergency Room or hospital.
3. Preserve evidence: Photograph cars, get witnesses' names, addresses, phone #s.
4. Follow all medical advice from EMTs or ER doctors.
5. Call KANNIN LAW FIRM P.S. at 206.574.0202 day or night.

If it is your fault:

Stop safely, pull off the road, offer aid to anyone who needs it.
Exchange information with the other driver involved. Wait for the police if any other driver calls the police. Notify your insurance company.
